

# AfroBioTech

October 27-29, 2019

Hyatt Centric Midtown Atlanta  
Atlanta, Georgia

Participate in the **AfroBiotech Conference** – an event that will highlight the achievements of African Americans in biotechnology, inspire a new generation of diverse biotechnology professionals and identify, communicate, and explore current advancements in various aspects of biotechnology. The conference aims to support AIChE's diverse engineering community and all are welcome to join.

## SESSION TOPICS

- Metabolic Engineering
- Synthetic Biology and Intracellular Engineering
- Microbiome Engineering
- Tissue Engineering
- DNA Synthesis and Genome Editing
- Mathematical and Computational Modeling
- Bioengineering and Our Community
- Health and Medical Applications

Submit an abstract, register and learn more about AfroBioTech

## KEYNOTE SPEAKERS

**Cherie Butts**

*Biogen*

**Anthony Guiseppi-Elie**

*Texas A&M University*

**Cato Laurencin**

*University of Connecticut*

**Kristala Prather**

*Massachusetts Institute of Technology*

## CONFERENCE CHAIRS

**Karmella Haynes**

*Emory University*

**Manu Platt**

*Georgia Institute of Technology*

## ORGANIZING COMMITTEE

**Edward Botchwey**

*Georgia Institute of Technology*

**James Carothers**

*University of Washington*

**Ayanna Jackson**

*Dow AgroSciences*

**Amanda Marie James**

*Emory University*

**Cato Laurencin**

*University of Connecticut*

**Elebeoba E. May**

*University of Houston*

**Kristala Prather**

*Massachusetts Institute of Technology*

**Sarah Richardson**

*Microbyre*

**Amelia Smith**

*Georgia Institute of Technology*

**Cranos Williams**

*North Carolina State University*
