

# BIOENERGY SUSTAINABILITY CONFERENCE

October 21-22, 2019 | Nashville, TN

You're invited to present your work at the **2019 Bioenergy Sustainability Conference** this October. Share your research and make an impact by collaborating with other researchers to disseminate the latest innovative concepts, methods, and results in the various domains of bioenergy sustainability.

## TOPICS INCLUDE

- Research frontiers for sustainable bioenergy
- Integrating systems, Designing sustainable bioenergy systems
- Advances in integrated assessments of bioenergy sustainability

Submit an abstract, register and learn more about Bioenergy Sustainability Conference  
[aiche.org/bioenergysustainability](http://aiche.org/bioenergysustainability)

Interested in sponsoring and/or exhibiting at this event?  
Contact [sales@aiche.org](mailto:sales@aiche.org)

NSF's support may be available to students/post docs who submit an abstract. Women and members of underrepresented groups are strongly encouraged to apply.

## CONFERENCE CHAIRS

### Keith Kline

*Oak Ridge National Laboratory, USA, Chair*

### David Shonnard

*Michigan Technological University, USA, Co-Chair*

## STEERING COMMITTEE

### Nawa Baral

*Lawrence Berkeley National Laboratory, USA*

### Carl Bernacchi

*University of Illinois at Urbana-Champaign, USA*

### Jeremy Guest

*University of Illinois at Urbana-Champaign, USA*

### Stephen Hamilton

*Michigan State University, USA*

### Jorge Hilbert

*INTA-Instituto de Ingenieria Rural, Argentina*

### Julio Sacramento

*Autonomous University of the Yucatan, Mexico*

### Corinne Scown

*Lawrence Berkeley National Laboratory, USA*

### Glaucia Mendes Souza

*Instituto de Química - USP, Brazil*

### Kurt Thelen

*Michigan State University, USA*
