

# CENTER FOR Hydrogen SAFETY

## 2019 CONFERENCE

October 14-15, 2019 | Hyatt Regency Sacramento | Sacramento, CA

Join us at the **2019 Conference on Hydrogen Safety**, presented by the Center for Hydrogen Safety (CHS). This conference will bring together academics, industry, and government representatives to highlight the safe use of hydrogen in commercial and industrial applications. The conference aims to support the future of hydrogen safety worldwide and all are welcome.

### SESSION TOPICS

- Safety in Industrial and Renewable Applications
- Codes and Standards - Keeping Pace?
- Government Learnings on Hydrogen Safety
- Learning from Recent Incidents
- Safe Use and Handling of Cryogenic Hydrogen
- Safety in Transformational Applications
