## 2023 Global Conference on Process Safety and Big Data Accepted Presenters' Guide.

### Presentation Submission & Deadlines:

Draft presentations are due to session chairs by **October 4, 2023**. Please send your draft presentation in PowerPoint format to the session chairs via email for review. **All final presentations need to be sent to session chairs with a copy (CC) to ccpseuropeanconference@aiche.org by October 18, 2023.** All ppt presentations will be made available for conference attendees as conference proceedings.

If internal company technical and/or legal reviews are required by your employer, plan accordingly and prepare your work well in advance so that you are able to meet the deadlines.

### Session Presentation Format

- √ Presentation will be delivered in person at the DECHEMA House, Frankfurt am Main, Germany
  - o The conference program is available online here
- √ Presentation should be no longer than 20 minutes
- √ Presentation will need to be submitted in PowerPoint Format
- √ PowerPoint Slides need to be for widescreen (16:9)

Presentations must be prepared as high-quality technical presentations.  While there may be interest in promoting your work and/or company, it must be done in such a manner as to present the work as a technical presentation.  "Promotion" of your company can be achieved through a superior presentation. Overt sales, product, or marketing pitches are not desired or permitted.  Through the review process, session chairs will ensure prepared presentations are of high quality and are technical in nature. Review comments will be forwarded to and/or discussed with presenters for inclusion in the final technical presentation.

**Don't forget to register!** Please note that all speakers and contributors are expected to register for the meeting on a paid basis. Register Now!
