

**2019 Annual Student Conference
Saturday Program
*Schedule Updated as of 10/1/2019**

8:45	9:30	Breakfast Regency Ballroom O-R						
9:30	10:40	Opening Keynote and Welcome Session Providing the Spark: A Call to Leadership Karen McKee, President, ExxonMobil Chemical Company Regency Ballroom O-R						
		Session Breakouts						
		Student Chapters	Research & Professional Development	Preparing for a ChemE Career	Sponsored Workshops			
		Blue Spring I/II	Orlando Ballroom N	Plaza International Ballroom K/J	Plaza International Ballroom D/E	Orlando Ballroom M		
10:45	11:30	DEVELOPING YOUR CHAPTER Making a Lasting Impact: The Lifetime Engineering Applications Project University of California, Los Angeles Mentorship University of Michigan - Ann Arbor Student Chapter	Finances and Your First Job – Financial Planning for ChemE Careers Young Professionals Committee	A Day in the Life of a Process Engineer Chevron	Process Simulation in the Real World Chemstations	Town Hall with AIChE Leadership		
11:30	11:45	Break						
		Student Chapters	Research & Professional Development	Preparing for a ChemE Career	Landing the Job	Specialty Areas of Chemical Engineering I	Specialty Areas of Chemical Engineering II	Sponsored Workshops
		Blue Spring I/II	Orlando Ballroom N	Plaza International Ballroom K/J	Plaza International Ballroom D/E	Orlando Ballroom M	Orlando Ballroom L	Plaza International Ballroom I
11:45	12:30	DEVELOPING YOUR CHAPTER How to Create a Diverse, Encouraging and Socially Responsible Chapter Centro Universitario SENAI CIMATEC Student Chapter Marketing Your Chapter Purdue University Student Chapter	Washington Internships for Students of Engineering Josh Leonard, WISE	Starting Your Career with Evonik Evonik	Effective Interviewing for Industrial Positions Gregory Yeo, ExxonMobil	Green Collar Career Opportunities for Chemical Engineers Environmental Division	Chemical Engineers in the Pharmaceutical Industry Pharmaceutical Discovery, Development, Manufacturing Forum	Elsevier Data Analytics Tools for Undergraduate Research Chris Cogswell, Elsevier
12:30	13:30	Lunch Regency Ballroom O-R						
13:30	14:30	Leadership Panel						
14:30	14:45	Break						
		Student Chapters	Research & Professional Development	Preparing for a ChemE Career	Landing the Job	Specialty Areas of Chemical Engineering I	Specialty Areas of Chemical Engineering II	Sponsored Workshops
		Blue Spring I/II	Orlando Ballroom N	Plaza International Ballroom K/J	Plaza International Ballroom D/E	Orlando Ballroom M	Orlando Ballroom L	Plaza International Ballroom I
14:45	15:30	CHAPTER & INDUSTRY COLLABORATION Developing and Maintaining Connections to Industry Partners Purdue University Student Chapter University of Michigan and Universidad Nacional de Colombia - Medellin: How to Develop Your Sister Chapter Program Student Chapters Committee	Career Planning and Job Searching for Entrepreneurial-Focused Science and Engineering Professionals Alaina Levine	The Professional Engineering Career Path Licensing and Professional Development	Applying to Graduate School and Research Fellowships Young Professionals Committee	Nuclear Workforce for Chemical Engineers Nuclear Engineering Division	The Role of Mixing in Fast, Competitive Chemical Reactions North American Mixing Forum	WIN an internship with AVEVA Software AVEVA
15:30	15:45	Break						
15:45	16:30	SECRETS TO SUCCESS - REGIONAL CONFERENCE PLANNING Hosting a Successful Regional Student Conference University of Toledo Student Chapter How to Organize a Successful Conference? PROCESA 2019: 1st AIChE Colombia Student Regional Conference Universidad Nacional de Colombia - Medellin Student Chapter	Executing a Chapter's Garbage Idea Using Entrepreneurship Principles Texas Tech University Student Chapter	Inflection Points: a Panel on Critical Career Decisions in Chemical Engineering Management Division	Successfully Navigating an International Job Search Alaina Levine	A Hitchhiker's Guide through Nanoscale Science and Engineering Forum Nanoscale Science and Engineering Forum	World of Particle Technology Particle Technology Forum	Electrolyte Modeling Basics OLI Systems
15:30	18:30	Chem-E-Car Competition® Safety Inspection and Poster Review						
16:00	20:00	Chem-E Jeopardy Competition						
19:00	21:00	Student Conference Night of Networking
