

8:45	9:30	Breakfast Spirit of Pittsburgh Ballroom						
9:30	10:40	Opening Keynote and Welcome Session Demetri N. Zervoudis, Senior Vice President, Global PO JVs & PET Sites, Industrial Operations North America, Safety Governance, Covestro LLC Spirit of Pittsburgh Ballroom						
								Session Breakouts
		Student Chapters	Putting your Best Foot Forward Post-Graduation	Preparing for a Career in Industry				
		303	310 / 311	317 / 318	301 / 302			
10:45	11:30	CORPORATE-CHAPTER COLLABORATION Hosting a Career Fair Northeastern University Student Chapter Corporate Sponsorship University of Michigan Student Chapter	Why Experience is as Valuable as Your College Degree North Carolina State University Student Chapter	Pathway to Licensure: The FE (Fundamentals of Engineering) and PE Exams Licensing and Professional Development Committee (LPDC)	Town Hall with AIChE Leadership			
11:30	11:45	Break						
		Student Chapters	Putting your Best Foot Forward Post-Graduation	Preparing for a Career in Industry	Landing the Job	Specialty Areas of Chemical Engineering I	Specialty Areas of Chemical Engineering II	Sponsored Workshops
		303	310 / 311	317 / 318	315 / 316	304 / 305	306 / 307	301 / 302
11:45	12:30	K-12 ENGAGEMENT Impactful K-12 Outreach Programming Executive Student Committee Planning a Chemical Engineering Design Project for High School Students University of Illinois Student Chapter	Washington Internships for Students of Engineering Jami Summey-Rice	What Does my Future Employer Really Want? Knowledge in the Fundamentals of Process Safety SACHE	Effective Interviewing for Industrial Positions Gregory Yeo, ExxonMobil	The Role of Mixing in Fast, Competitive Chemical Reactions North American Mixing Forum	Refining and Gas Processing 101: An Introduction for New Graduates Fuels & Petrochemicals Division	ANSYS Exhibitor Workshop
12:30	13:30	Lunch Spirit of Pittsburgh Ballroom						
13:30	14:30	Leadership Panel Spirit of Pittsburgh Ballroom Moderator: Michelle Bryner, Lead Engineer, Facilitation Process Manager, AIChE Panelists: Ian Moore, Vice President, Silicones, WACKER Chemical Corporation Sheena Reeves, Assistant Professor, Prairie View A&M University Christine Seymour, Director, Global Regulatory Chemistry and Manufacturing Controls, Pfizer Inc. Gregory Yeo, Chief Engineer, ExxonMobil Chemical Company						
14:30	14:45	Break						
		Student Chapters	Putting your Best Foot Forward Post-Graduation	Preparing for a Career in Industry	Landing the Job	Specialty Areas of Chemical Engineering I	Specialty Areas of Chemical Engineering II	Sponsored Workshops
		303	310 / 311	317 / 318	315 / 316	304 / 305	306 / 307	301 / 302
14:45	15:30	GOING GLOBAL Engaging Across Cultures: Sister Chapter Presentation University of Michigan, Ann Arbor Student Chapter Leadership without Borders Executive Student Committee	Thinking Outside the Box with your Career Young Professionals Committee	How the Energy Industry Works: An Energy Industry Overview Chevron	Networking for Nerds Alaina Levine	Bridging Bright Future in Nuclear Science, Engineering and Technology with Chemical Engineers Nuclear Engineering Division	Chemical Engineering in Pharmaceuticals Pharmaceutical Discovery, Development, Manufacturing Forum	AVEVA Exhibitor Workshop
15:30	15:45	Break						
15:45	16:30	GROWING YOUR CHAPTER Diversifying Technical Projects: The Chemical Engineering Introductory Project University of California, Los Angeles Student Chapter Mentorship Program: Encouraging Underclassmen Involvement University of Michigan, Ann Arbor Student Chapter	Tips for Succeeding at Your First Job Young Professionals Committee	Careers in Management Management Division	Negotiation for Nerds Alaina Levine	World of Particle Technology – Fluidization and Solids Handling Particle Technology Forum	Nanoscale Science & Engineering: Translating from Benchtop to Industry Nanoscale Science and Engineering Forum	Evonik Exhibitor Workshop
15:30	18:30	Chem-E-Car Competition* Safety Inspection and Poster Review						
17:00	20:00	Chem-E Jeopardy Competition						
20:00	22:00	Student Conference Bash
