In Japan, hotels regularly used by businessmen can provide a clean, warm and fun stay. And more than anything cheaply.

Visit Himeji

https://www.travelko.com/ext/himeji-kanko/locale/en_US/hotel/region/jp/65009/

Some hotels also have comfortable hot springs.

There are many hotels like this other than the ones I mentioned. I hope you will understand these above, you will enjoy the journey of ordinary Japanese people, that the shape of trip is a little different than your usual.
