

CH033: Pneumatic Conveying of Bulk Solids

Day 1

8:00	-	8:30:	Registration
8:30	-	10:00:	Introduction; modes of conveying; types of systems
10:00	-	10:15:	Break
10:15	-	12:00:	Fundamentals of gas/solids flow; pressure loss calculations
12:00	-	1:00:	Lunch
1:00	-	3:00:	Component selection and system design
3:00	-	3:15:	Break
3:15	-	5:00:	Dense phase conveying; system troubleshooting
