

Course Title: Pneumatic Conveying of Bulk Solids

Course ID:	Course Type:
ELA111	Instructor-led (classroom) Course
http://www.aiche.org/ela111	

Course Outline

- **Lecture One:** Introduction, Conveying Modes, Jargon
- **Lecture Two:** Systems, State Diagrams, Pressure Loss
- **Lecture Three:** System Component Operation/Selection
- **Lecture Four:** Dense Phase Conveying Technology
- **Lecture Five:** Troubleshooting Common Problems
- **Final Exam:** 25 Questions
