

# RISING STAR

An AIChE Program

## Leadership Workshop for Rising Star Women Engineers

Virtual Workshop | June 23, 2020 | 11:00 AM - 12:30 PM

Rising Star, A Leadership Workshop for Women Engineers, is part of the AIChE® All for Good program to advance women in engineering. The program for early to mid-career women utilizes best practices and leading research on gender to advance professional goals.

### Itinerary

#### Welcome & Introduction

June Wispelwey, *Executive Director and Chief Executive Officer, AIChE*

#### Presentation

Susan Dunlap, *Susan Dunlap Associates*

Understanding effective communication styles and the best practices for women to counteract perceptions and mitigate stereotypes. Participants will develop skills for communicating with a more authentic presence to effectively meet and network in the workplace and beyond. Participants will receive an introduction to a variety of common communication styles used by men and women in the workplace to:

- Explore the dynamics of gender communication norms and stereotypes
- Learn how the following skills can differ by gender and the potential impact to career progression
- Confidence and Courage
- Self-Advocacy
- Presence

If you have any questions and to RSVP please contact Michele Forman-Keren at [michk@aiche.org](mailto:michk@aiche.org).

#### Empowering Women in Engineering - Panel Discussion

Panelists share perspectives on how women can find their voice, navigate the workplace and communicate for success.

#### Women in Chemical Engineering, An introduction to WIC

Shannon L. Servoss, Ph.D., *University of Arkansas and Chair WIC*

#### AIChE Membership an Introduction

Gina Gatto, *Manager of Membership, AIChE*

#### Audience Participation & Questions

#### Program Conclusion
