

DIERS SPRING 2021 VIRTUAL MEETING NOTICE (March 10 - 12, 2021)

The Design Institute for Emergency Relief Systems (DIERS) was founded and continues to work to develop the methodologies required to size emergency pressure relief devices and systems to safely handle runaway chemical reactions and two-phase vapor-liquid flows.

The DIERS Spring 2021 Virtual Meeting will use Microsoft TEAMS (free remote conferencing software). The meeting duration is three days and will take place March 10 (Wed) through March 12 (Fri), 2021.

This meeting will cover what you need to know to size emergency pressure relief devices for runaway chemical reactions and two-phase vapor-liquid flows. This meeting will cover Emergency Relief System Design: 1) Expertise and Tools of the Trade, 2) ERS Design by the Book, and 3) Runaway Reactions Require Laboratory Expertise. Daily meeting breakdown times are as follows:

<u>TIME (EST)</u>	<u>ACTIVITY</u>
9:30 - 10:00	Establish Contact / Sign-in / Meeting and Software Instructions
10:00 - 1:00	Technical Presentations
1:00 - 1:45	Break / Video Technical Presentations
1:45 - 4:30	Technical Presentations
4:30 - 5:00	Networking / Technical Discussions
5:00 -	Adjourn

TO REGISTER: Visit [DIERS | Design Institute for Emergency Relief Systems](https://www.aiche.org/diers) and then click on 2021 MEETING link.

Members: Login requires your AIChE User Name and Password

Non-Members: Guest login is available

Cost: \$99/per day

DIERS 2021 yearly dues, unless already paid, will be collected at the time of registration.

Details of the meeting can be found on our DIERS website (www.aiche.org/diers) at the MEETING NOTICE and AGENDA LINKS. For any registration issues, please call AIChE Customer Service at 1-800-242-4363.
