

Conference Name	Location	Conference Start	Related Organization	Audience
<a href="#">Renewable Hydrogen Storage &amp; Transport</a>	Los Angeles, CA	11-Mar	Center for Energy Initiatives	Research & Development
<a href="#">AIChE Spring Meeting &amp; GCPS</a>	New Orleans, LA	24-Mar		Process Engineering
<a href="#">mRNA Technology</a>	Boston, MA	21-Apr	Society for Biological Engineering	Pharmaceuticals
<a href="#">Engineering Cosmetics &amp; Consumer Products Conference</a>	Philadelphia, PA	22-Apr		Process Engineering
<a href="#">Quantum Computing and Artificial Intelligence Applications Workshop</a>	Copenhagen, Denmark	6-May	Society for Biological Engineering	Research & Development
<a href="#">Middle East Process Engineering Conference</a>	Saudi Arabia	6-May		Process Engineering
<a href="#">Center for Hydrogen Safety Americas Conference</a>	Las Vegas, NV	20-May	Center for Hydrogen Safety	Process Safety
<a href="#">PD2M Modeling and Simulation Applications in Pharmaceutical Development &amp; Manufacturing</a>	Boston, MA	21-May	Pharmaceutical Discovery, Development & Manufacturing (PD2M)	Pharmaceuticals
<a href="#">World E-Congress on Chemical Engineering</a>	Virtual	21-May		Process Engineering
<a href="#">International Congress on Sustainability Science &amp; Engineering (hosted by RAPID)</a>	Houston, TX	3-Jun	Institute for Sustainability, RAPID	Process Engineering
<a href="#">Process Development Symposium</a>	Rosemont, IL	4-Jun		Process Engineering
<a href="#">Synthetic Biology: Engineering, Evolution and Design (SEED)</a>	Atlanta, GA	24-Jun	Society for Biological Engineering	Biological Engineering
<a href="#">Process Development Symposium Europe</a>	Nancy, France	26-Jun		Process Engineering
<a href="#">Foundations of Computer-Aided Process Design (FOCAPD)</a>	Breckenridge, CO	14-Jul	CACHE	Process Engineering
<a href="#">Foundations of Molecular Modeling and Simulation (FOMMS)</a>	Snowbird, UT	28-Jul	CACHE	Process Engineering
<a href="#">Mammalian Synthetic Biology Workshop</a>	Boston, MA	6-Aug	Society for Biological Engineering	Biological Engineering
<a href="#">Chemical Ventures Conference</a>	Chicago, IL	6-Aug		Process Engineering
<a href="#">Rock Stars of Regenerative Engineering</a>	Denver, CO	21-Aug	Regenerative Engineering Society	Biological Engineering
<a href="#">Safety in Ammonia Plants &amp; Related Facilities</a>	San Diego, CA	9-Sep		Process Safety
<a href="#">Optogenetic Technologies and Applications</a>	Boston, MA	10-Sep	Society for Biological Engineering	Biological Engineering
<a href="#">Latin American Conference on Process Safety</a>	Colombia	18-Sep	CCPS	Process Safety
<a href="#">7th International Conference on Epigenetics and Bioengineering</a>	Amsterdam, Netherlands	3-Oct	Society for Biological Engineering	Biological Engineering
<a href="#">Constraint Based Reconstruction Analysis (COBRA)</a>	San Diego, CA	24-Oct	International Metabolic Engineering Society	Biological Engineering
<a href="#">AIChE Annual Meeting</a>	San Diego, CA	27-Oct		Research & Development
<a href="#">FOODIE</a>	San Diego, CA	31-Oct		Process Engineering
<a href="#">Cell Therapies &amp; Immunotherapy</a>	San Diego, CA	September (TBD)	Society for Biological Engineering	Pharmaceuticals
<a href="#">CRISPR Technologies</a>	San Diego, CA	October (TBD)	Society for Biological Engineering	Biological Engineering
<a href="#">Advanced Manufacturing &amp; Processing Conference</a>	Houston, TX	October (TBD)	Advanced Manufacturing & Processing Society	Process Engineering
<a href="#">Global Summit on Process Safety</a>	Mumbai	October (TBD)	CCPS	Process Safety
<a href="#">Translational Medicine</a>	San Diego, CA	October (TBD)	Society for Biological Engineering	Biological Engineering
<a href="#">Battery &amp; Energy Storage</a>	New York, NY	November (TBD)	Center for Energy Initiatives	Research & Development
<a href="#">Global Conference on Process Safety and Big Data</a>	Germany	November (TBD)	CCPS	Process Safety
<a href="#">Microbiome Engineering</a>		December (TBD)	Society for Biological Engineering	Biological Engineering
