DOING  
A WORLD  
OF GOOD

## A World of Doing More Good

Thanks to the generous support of our industry partners and individual donors, the Doing a World of Good Campaign has exceeded its initial goal of \$15 million—and its impact continues to grow. So, what comes next?

We look forward to building on the momentum we've developed and the success we've created to advance, evolve and transform the profession for good. We hope you'll join the hundreds of companies and thousands of supporters who are Doing a World of Good.
