

Spring 2022 Virtual Meeting Notice

May 11-13, 2022

The Design Institute for Emergency Relief Systems (DIERS) was founded and continues to develop the methodologies required to size emergency pressure relief devices and systems to safely handle runaway chemical reactions and two-phase vapor-liquid flows.

The DIERS Spring 2022 Virtual Meeting will take place May 11 (Wed) through May 13 (Fri), 2022 using Microsoft Teams.

This meeting will cover what you need to know to size emergency pressure relief devices for runaway chemical reactions and two-phase vapor-liquid flows. The tentative daily meeting schedule is as follows:

TIME (EDT)	ACTIVITY
9:30 - 10:00	Establish Contact / Sign-in / Marketing and Software Instructions
10:00 - 1:00	Technical Presentations
1:00 - 1:45	Break / Video Technical Presentations
1:45 - 4:30	Technical Presentations
4:30 - 5:00	Networking / Technical Discussions
5:00 -	Adjourn

To Register: Registration details coming soon.

Registration Fee: \$125 per day

Register before Friday, April 22 to receive a discounted registration rate of \$105 per day.

The last day to register is Friday, May 6.

DIERS 2022 yearly dues, unless already paid, will be collected at the time of registration.

For any registration issues, please call AIChE Customer Service at 1-800-242-4363.
