

2014 AIChE ANNUAL RECRUITMENT FAIR

Sunday, November 16, 2014
9 AM – 4 PM

Georgia Institute of Technology,
Atlanta, GA

The premier venue for reaching top chemical engineering undergraduates from the leading chemical engineering schools.

Over 1,400 students — the great majority of Juniors and Seniors — are expected at the Fair. Many will be considering Graduate School and exploring their options. Don't miss this once-a-year opportunity. Basic Table Package is only \$645.

The Recruitment Fair is held in conjunction with AIChE's Annual Meeting & Annual Student Conference.

The four-day Annual Student Conference (ASC) involves undergraduates in a variety of educational workshops, networking events, and competitions, including:

- Chem-E-Car® Competition
- Student Paper Competition
- Student Design Competition
- Undergraduate Poster Competition

Are you looking for a cost-effective way to reach chemical engineering students? A surefire way to showcase the benefits of your graduate program to potential applicants?

Present at the Recruitment Fair at the AIChE Annual Student Conference (ASC)

- More than 1,400 undergraduate chemical engineers are expected.
- Meet the most committed chemical engineering students and those most likely to continue education, at the graduate level.
- No larger gathering of your target market audience and no better opportunity to connect in person.
- 7 hours of exhibit time for as little as \$645.

Space is offered on a first-come, first-served basis. Reserve your table today.

AIChE 
The Global Home of Chemical Engineers

The American Institute of Chemical Engineers is a highly-respected, non-profit society for chemical engineering professionals. AIChE has been a global leader of the profession since 1908, disseminating knowledge, supporting the educational needs of the chemical engineering community, and applying the expertise of its members to address societal needs.

When you choose this exclusive event to promote your school, you'll meet the top chemical engineering undergraduates. It's the perfect opportunity to present the unique benefits of your graduate program.
