Below is what authors need to know in order to submit a presentation record/paper for inclusion in the online proceedings. Papers and/or abstracts from all the topical conferences plus non-topical programming will be included on these proceedings.

Submission Guidelines

Unless you have been instructed otherwise by a topical conference chair, please upload your paper (approx. 7-8 pages) via the paper upload system. If you wish you may follow the preferred format guidelines otherwise we will accept any format you wish to use as long as the file is a Word, PDF or PowerPoint file; we only ask that you not include a title page but simply put your title, paper number and authors at the top of your first page with your text immediately following.

Note: If you had previously uploaded a draft of your paper, please replace it with the final version approved by your session chair.
