3. SURVEY

I am coming to the Annual Meeting to attend sessions on...

Beer Brewing
Bioengineering
Catalysis & Reaction Engineering
Chemical Engineering & the Law
Computational Molecular Science & Engineering
Computing & Systems Technology
Diversity & Inclusion
Education
Electrophoresis
Energy
Engineering Sciences & Fundamentals
Entrepreneurship
Environmental Topics
Fluid Mechanics
Food Products & Processing
Food-Energy-Water Nexus
Forest & Plant Bioproducts
Fuels & Petrochemicals
Green Engineering
Immunotherapy
Interfacial Phenomena
Management
Materials Engineering & Sciences
Microbes at Biomedical Interfaces
Mixing
Nanomaterials and Nanotechnology
Nanoscale Science & Engineering
Next-Gen Manufacturing
NH3 Energy+
Nuclear Engineering
Particle Technology
Pharmaceutical Discovery, Development & Manufacturing
Process Development
Process Intensification
Safety & Health
Sensors
Separations

Whether you work in Petrochemicals, Pharmaceuticals, Food Processing or any one of the expanding areas supported by chemical engineers, find your technical home within AIChE.*

Did you know that by checking the box below you can gain access to all AIChE has to offer for 2018 and 2019? All for the same rate you will pay to attend the Annual Meeting as a nonmember. You will gain:

1. 6 member credits in 2018 and 6 member credits in 2019 to use on online content.
2. Access to *CEP* magazine online, and at your door! Learn why *CEP* is one of the most talked about benefits of being an AIChE member.
3. Access to valuable reference material through AIChE's online library powered by Knovel.
4. Access to a global network of Chemical Engineers through AIChE's Engage platform.
5. And more! See all benefits at www.aiche.org/benefits

PLUS add one of the two divisions below to access niche content to help advance your career and grow your network. You'll receive division membership for 2018 and 2019 at no additional cost.

Food, Pharmaceuticals, & Bioengineering, (FP&BE) a division of AIChE established to bring together technical content related to the named industries, while also encouraging a focus of the biological sciences in chemical engineering curricula. From discounted conference rates to networking, see why you should join at www.aiche.org/joinfpbe

Fuels & Petrochemicals (F&PD), a division of AIChE established to further the application of chemical engineering principles in the fields of fuels & petrochemicals. From a subscription to *Hydrocarbon Processing* to curated online content, learn about the benefits at www.aiche.org/joinfpd

Interested in another division or forum? Please write it in here: _____

If you can't decide right now, we'll add you to FP&BE so you can test the waters.

*Offer only applies to full-dues paying members (\$199). Any questions can be directed to AIChE Customer Service: customerservice@aiche.org

By checking this box, I confirm that I would like two years of membership to AIChE and the selected division.

Average fare from the airport to Downtown is \$40+. Upon arrival at the airport, proceed to the landside terminal, lower level and exit through Door #4.

Official Webpage

Use caution when making travel arrangements and researching information about the AIChE Annual Meeting. The only legitimate website affiliated with the 2018 AIChE Annual Meeting is www.aiche.org/annual.

Do You Require Auxiliary Services?

If you require "auxiliary aids or services" at the meeting, please send an email to meetings@aiche.org or a letter stating your needs to:

AIChE Meetings Department, 120 Wall Street, 23rd Fl. New York, NY 10005; Fax: 646-495-1507. We will then arrange for the aid/service to be available on-site.

Recording & Photography Policy

AIChE Meetings are one of the primary ways the Institute fulfills its mission to advance the development and exchange of relevant knowledge. The content presented at the AIChE Annual Meeting is the property of the presenters and the firms where they work. Recording of sessions or taking photos of slides is strictly prohibited.

General Photography Notice

Sessions and events at the AIChE Annual Meeting are being photographed by a professional photographer. These photos will be used to illustrate articles in *CEP Chemical Engineering Progress® Magazine*, on the AIChE website and in promotional materials for future Meetings. By registering for this conference, you consent to your likeness being used for such purposes without compensation and release AIChE from any liability on account of such usage.
