

CONNECT @ AIChE

2020 Meet the Industry Candidate Poster Session & Reception

At the 2020 AIChE Annual Meeting in San Francisco (Nov 15-20)

Sponsor: Pharmaceutical Discovery, Development and Manufacturing (PD2M)

This session is designed to facilitate pharmaceutical industry scientists and recruiting teams to network with potential industry candidates. Come show off your research!

Confirmed participants (plus more to come):

abbvie

AMGEN

Lilly

THIS SESSION WILL BE A GREAT OPPORTUNITY FOR INDUSTRY CANDIDATES to

- Showcase your research to a targeted pharmaceutical audience
- Learn about employment opportunities across multiple pharma companies in one session
- Build your network to bridge from academia to industry

PHARMA COMPANIES/ORGANIZATIONS to

- See the latest and greatest research from top universities
- Meet new talent across the entire AIChE community coming out of academia in one setting
- Grow connections or increase collaborations with academic partners

Presenting authors should be graduate students/post-docs who are available for employment by Summer 2021. Interested applicants are asked to submit their resume (2 pg max) and research abstract (<400 words) through Confex '[PD2M Meet the Industry Candidates Poster Session](#)'

For further questions, contact the session chairs: Moiz.Diwan@abbvie.com, jasmine.rowe@merck.com, or jean.tom@bms.com
