

CONNECT @ AIChE

2023 Meet the Industry Candidate Poster Session

At the AIChE Annual Meeting in Orlando, FL

November 5-10 (exact date TBD)

Process & Product Development and Manufacturing in Chemicals & Pharmaceuticals

This session is designed to facilitate chemical and pharmaceutical industry scientists and recruiting teams to network with potential industry candidates. Come show off your research!

Confirmed Participants

THIS SESSION WILL BE A GREAT OPPORTUNITY FOR INDUSTRY CANDIDATES TO

- Showcase your research to a targeted chemical and pharmaceutical audience
- Learn about employment opportunities across multiple companies in one session
- Build your network to bridge from academia to industry

CHEMICAL/PHARMA COMPANIES TO

- See the latest and greatest research from top universities
- Meet new talent across the entire AIChE community coming out of academia in one setting
- Grow connections or increase collaborations with academic partners

Presenting authors should be graduate students/post-docs who are available for employment by Summer 2024. Interested applicants are asked to submit their resume (2 pg max) and research abstract (<400 words) through Confex [“Meet the Industry Candidates Poster Session: Process & Product Development and Manufacturing in Chemicals & Pharmaceuticals \(confex.com\)”](https://www.confex.com/Meet-the-Industry-Candidates-Poster-Session-Process-Product-Development-and-Manufacturing-in-Chemicals-Pharmaceuticals)

Deadline for submissions: **July 1, 2023**
