Sponsorship Opportunities

Over the past several years process safety has taken on increased importance. Today companies large and small, in the traditional process industries and in emerging areas, all put a premium on improving their process safety performance.

Firms that can help these on-going efforts are invited to showcase their brand by sponsoring the **3rd CCPS Global Summit on Process Safety**. This annual event is scheduled to take place December 4-5 in Sheraton Dammam Hotel & Convention Center, Dammam, Saudi Arabia.

Launched in 2014 on the 30th anniversary of the Bhopal disaster, the CCPS Global Summit on Process Safety attracts an audience of knowledgeable process safety experts who influence, and authorize purchase decisions for a wide range of process safety related products and services. Global Summit sponsors establish themselves as leading supporters of these important efforts in the minds of the region's leading process safety professionals.
