ABOUT THE AMERICAN INSTITUTE OF CHEMICAL ENGINEERS

AIChE is the global home of chemical engineering professionals with more than 60,000 members from over 110 countries. AIChE offers various resources to support chemical engineers in process industries and emerging areas such as energy, sustainability, biological and environmental engineering, nanotechnology and chemical plant safety and security. For more information, visit www.aiche.org.

*Any presentations for which we have received written permission from the author to record
