

Thinking about joining our community?

5 Reasons to Become a Member

01

Eliminate misconceptions & focus on safety

02

Connect with a community that enables the safe and timely transition to hydrogen and fuel cell technologies

03

Collaborate with a global hydrogen safety community

04

Access resources to remove barriers and manage risk

Champion hydrogen safety and best practices worldwide

05

Increase knowledge and expertise

Ensure the safe and timely transition to hydrogen and fuel cell technology

Visit www.aiche.org/chs or email chs@aiche.org to learn more about CHS membership and how your organization can be at the forefront of hydrogen safety.
