

AIChE Regional Chem-E-Car Competition 2018: Submit your Team's Intent to Compete

All Chem-E-Car teams must submit their **Intent to Compete** at the AIChE Regional Chem-E-Car Competitions, using this form:

<https://chenected.wufoo.com/forms/2018-regional-chemecar-intent-to-compete/>

The deadline will be the Friday 8 weeks prior to the particular Regional Competition. Every School who wants to compete is guaranteed one (1) spot in the Competition. Schools who want to send a 2nd car to the Regional Competition must indicate this in their intent to compete. Spots for 2nd cars will be given only if space allows. Each Regional Host will work with the Chem-E-Car Committee to determine how many cars they can safely handle at their Regional Competition, and AIChE will confirm with each school if they can send 1 or 2 cars to compete at the Regional. Note: ONLY one car from a given university is allowed at the national competition.
